In order to Gift Aid your donation, please mark the relevant box below:

I confirm that I would like all my donations, past, present and future, to Weldmar Hospicecare (registered charity no. 1000414) to be treated as Gift Aid donations.

I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference.

5. Weldmar Hospicecare and You – your communication options

We are hugely grateful for the support you have shown to our hospice service. Without you, we simply would not exist.

Your details are safely stored on our database and we would like to continue to communicate with you; sending you information both about the work of the hospice and some of our fundraising activities. However, the choice of relationship you have with us is entirely yours; we want you to be completely happy with how we communicate with you.

We will **never** sell, swap or share your data with an external organisation for their own use. We do occasionally employ the services of an expert supplier; for example, a specialist company to help us print and deliver our newsletters. In these instances, the external supplier is acting as our agent and will treat your data with the same care and respect as we do.

Knowing your preferences means we can be more cost effective with our communications and ensure we contact you in the way that you wish to hear from us.
